Hi Ann-

I received a summons for the [REDACTED] scheduled for trial on April 26th, 2010, back in December but the drug lab # is not noted on it. I have tried to make contact with the ADA listed on the summons (ADA Benjamin Mann), but I have not heard anything back from him. I was hoping that you might be able to provide me with the drug lab #(s) for the case as well as letting me know which ADA is actually assigned to it. Thank you in advance for your assistance with this matter.

-Sonja
